Secretary
Dr. Debarati Mitra

Jt. Secretary
Prof. Achintya Saha

Treasurer
Dr. Debjyoti Ray

An appeal to our alumni

Dear Alumnus,

The Department of Chemical Technology, prides itself on having a diverse population of alumni spread out all over the world. Our primary goal is to build a bigger and better alumni association that we can be proud of. The main objective of the association is to increase the involvement of our alumni. The association is principally expected to serve as a link between the current and the past students.

Due to the busy schedule of our alumni, it is, in most cases, not possible for them to interact with the current students physically. However, there is a dire need from the student front to gain knowledge from the alumni of our department, in order to upgrade themselves and to be industry ready.

Hence, to remain continually associated with our alumni, we desire to install a Video Conferencing System in the Seminar Room of our Department. The approximate fund that will be required for this purpose, is Rs. 5,00,000/- (Rupees five lakhs only). The budgetary quotation is being attached for your perusal.

As from previous experience, we can state that alumni of our Department never can step back when it comes to helping their alma mater for whatever cause. The funds may be donated individually, or, collectively, by any organization.

Thanking you in advance,

With best regards

Debarati Mitra

Secretary-Chemical Technology Alumni Association
